History

Established in 1946, the Ohio Job and Family Services Directors' Association (OJFSDA) is a non-profit statewide organization which represents Ohio's 88 County Departments of Job and Family Services (CDJFS).

What We Do

The Ohio Job and Family Services Directors' Association (OJFSDA) membership works directly with the Ohio Department of Job and Family Services and other state agencies to develop responsive and effective employment, training and human services programming.

The organization is an office of professionals who assist the membership with the day-to-day communication and facilitation of their activities in the CDJFS system. OJFSDA communicates key issues and solutions regarding the delivery of social services, to Ohio policymakers, legislators, and other decision makers. OJFSDA promotes effective relationships and cooperation between the state ODJFS, Boards of County Commissioners, and other stakeholders.
