

Enhance your Conference Experience with the ConferenceBeat Event App

-  **PROFILE:** Add and update information to create your personalized professional profile, set controls for what information is shared in the directory, and upload a picture to complete your profile.
-  **NOTIFICATIONS:** Get important conference updates including game winners and special meal offers.
-  **MAPS:** Find session rooms and use the interactive exhibit hall map to visit and connect with exhibitors at the Partners' Fair Trade Show.
-  **AGENDA:** Create a personalized schedule by adding sessions to your favorites, explore the full conference schedule, and search for sessions by track by selecting a filter or typing a keyword.
-  **HANDOUTS:** Access, download and print available session handouts prior to arriving at the conference and view, download or email handouts during and thirty days after the event.
-  **EVALUATIONS:** Provide feedback on individual sessions and the conference overall to help us make our largest annual training opportunity valuable to you. For each evaluation you complete, you increase your chances of winning a prize.
-  **DIRECTORY:** Connect to other attendees, exhibitors, sponsors, and speakers. Click on a name to view their contact information and create individualized notes and select *Actions* to send a connection request or add people to your favorites.
-  **CHAT ROOMS:** Check here for general announcements, ask questions, find items turned in to lost and found, and to see the list of basket, door prize, and game winners!
-  **GAMES:** Join in the fun! Enter your conference photos into our photo contest (don't forget to vote for your favorites, too) and participate in the exhibitor scavenger hunt.
-  **SPONSORS:** Get to know our generous sponsors, record personal notes, and add organizations to your favorites.
-  **EXHIBITORS:** Explore conference exhibitors and learn more by visiting their tables at the Partners' Fair Trade Show.
