

OJFSDA ANNUAL OUTSTANDING CDJFS DIRECTOR OF THE YEAR NOMINATION INFORMATION

The strength of the Ohio Job and Family Services Directors' Association is in its members and the collective knowledge and leadership they exhibit. It is important for us to honor and recognize the efforts of our members and their contributions to the JFS system. This annual award is one way in which you help us do that. We ask that you review the nomination process and criteria below and consider nominating a CDJFS Director whose commitment to the profession is particularly worthy of acknowledgment.

Nomination Process:

Those currently serving as OJFSDA's elected officers comprise the Selection Committee tasked with reviewing all nominations and selecting one award recipient. While many directors are deserving of this award, the committee works diligently to identify the individual of the highest professional caliber. The recipient will be notified by OJFSDA and asked to participate in December's General Session to receive the award. Those nominated but not chosen may be nominated again in subsequent years.

- ❖ **Nominations must be submitted by October 31, 2020** via the online form [HERE](#). Late submissions will **not** be accepted.
- ❖ Nominations **must** be made by at least one current CDJFS Director.
- ❖ Current elected OJFSDA Officers are **not** eligible for nomination.
- ❖ Multiple nominations for one individual will be accepted, but the volume of nominations **does not** guarantee that that nominee will receive the award.
- ❖ Nominees **do not** have to be deeply involved in Association activities to be selected if the sum-total of their professional contributions outweigh other nominee's contributions. However, if candidates appear equally deserving, preference will be given to the candidate who has exhibited a strong commitment to OJFSDA.
- ❖ Nominations **must** include as much detail as possible and personal appraisals are factored into the selection process (please carefully consider the nomination criteria provided below when preparing and submitting your nomination).
- ❖ Self-submitted or anonymous nominations will **not** be accepted.
