

# Results@Hand ConferenceBeat Event App User Guide

## Fiscal Symposium

To log into the web-based app visit [app.resultsathand.com/ojfsdajuly25](http://app.resultsathand.com/ojfsdajuly25) and enter your work email and default passcode Fiscalfun2025.  
To download the app to any of your devices search **R@H ConferenceBeat Event App** and select **OJFSDA 2025 Fiscal Symposium**.

**PROFILE:** Personalize your profile to enhance networking opportunities. You can update your photo, manage sharing preferences, and adjust your account settings.

**EVENT FAQ:** We have answers to your frequently asked questions, including how to connect to the WIFI, what meals are provided, and what to do if your app glitches or is missing information.

**NOTIFICATIONS:** We'll use notifications to share timely updates and important information. If you'd prefer not to receive push notifications, you can adjust your notification settings on your device.

**HANDOUTS:** Want hard copies? Download and print available session materials at your convenience. You can also view, download, or email handouts during the symposium and for up to 30 days afterward. Handouts are accessible under the [Materials](#) tab in each session listing on the agenda.

*Handouts are provided at the presenters' discretion, and not all sessions may have materials. If no handouts are posted, check back closer to the event.*

**AGENDA:** View the schedule of sessions you're registered for and explore all the symposium has to offer. Tap on non-session activities that interest you to add them to your schedule.

*\*Starred activities are on your schedule. You can also view your session schedule under 'My Schedule.' Please note that the location icon (📍) indicates the room location, not the session number, which represents the time the session is offered.*

**EVALUATIONS:** We'd love to hear your feedback! Taking just a few minutes to complete the overall event and individual session evaluations helps us improve and enhance your experience.

**VENUE MAP:** Not sure where to go? The property map is available anytime to help you find your way.

**DIRECTORY:** Browse attendees, speakers, and sponsors. Select a name to view contact details or tap [Actions](#) to send a connection request and enable in-app chat (responses appear in [My Messages](#) on the sidebar). You can also add people to your [Favorites](#) to build your own contact list.

**SPONSORS:** Get to know our generous sponsors! You can also take notes and add organizations to your [Favorites](#) to keep track of those that interest you most.

**SUPPORT:** Need help? Just enter your issue in the subject line and include a brief description so we can assist you quickly.
